Vedant Chavan

Feathers from two different worlds

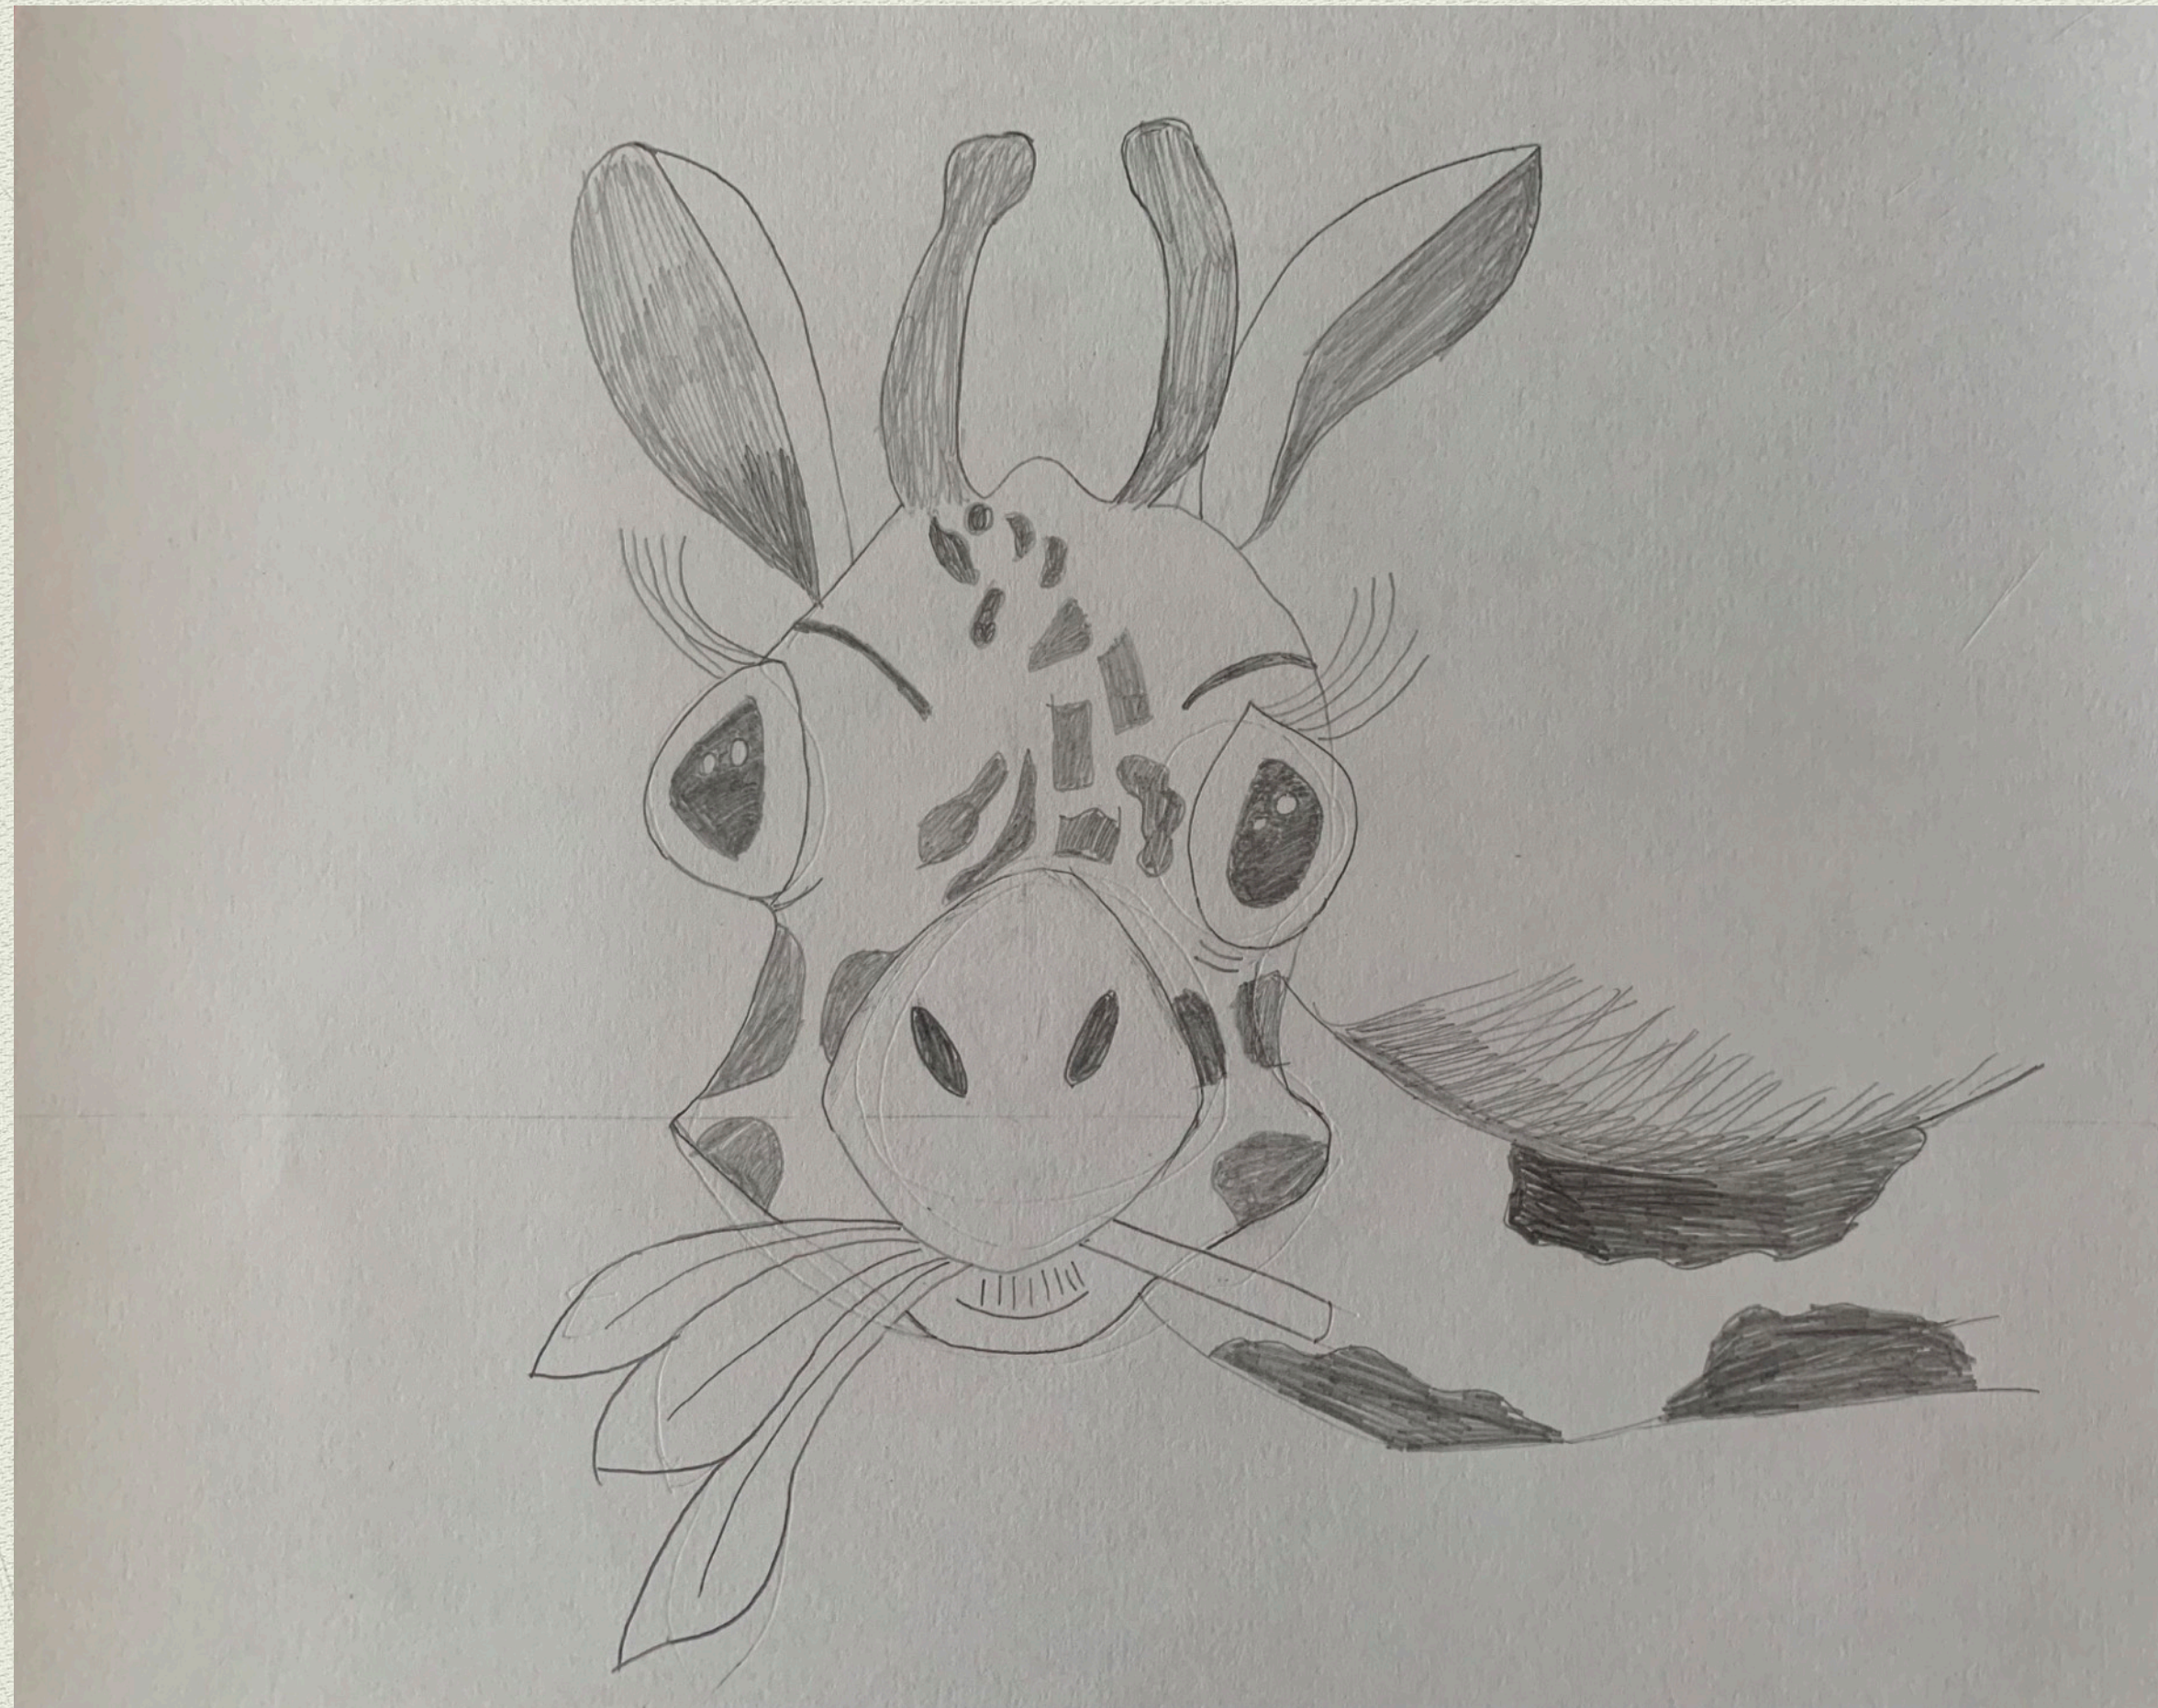

Charming birds from ancient
world

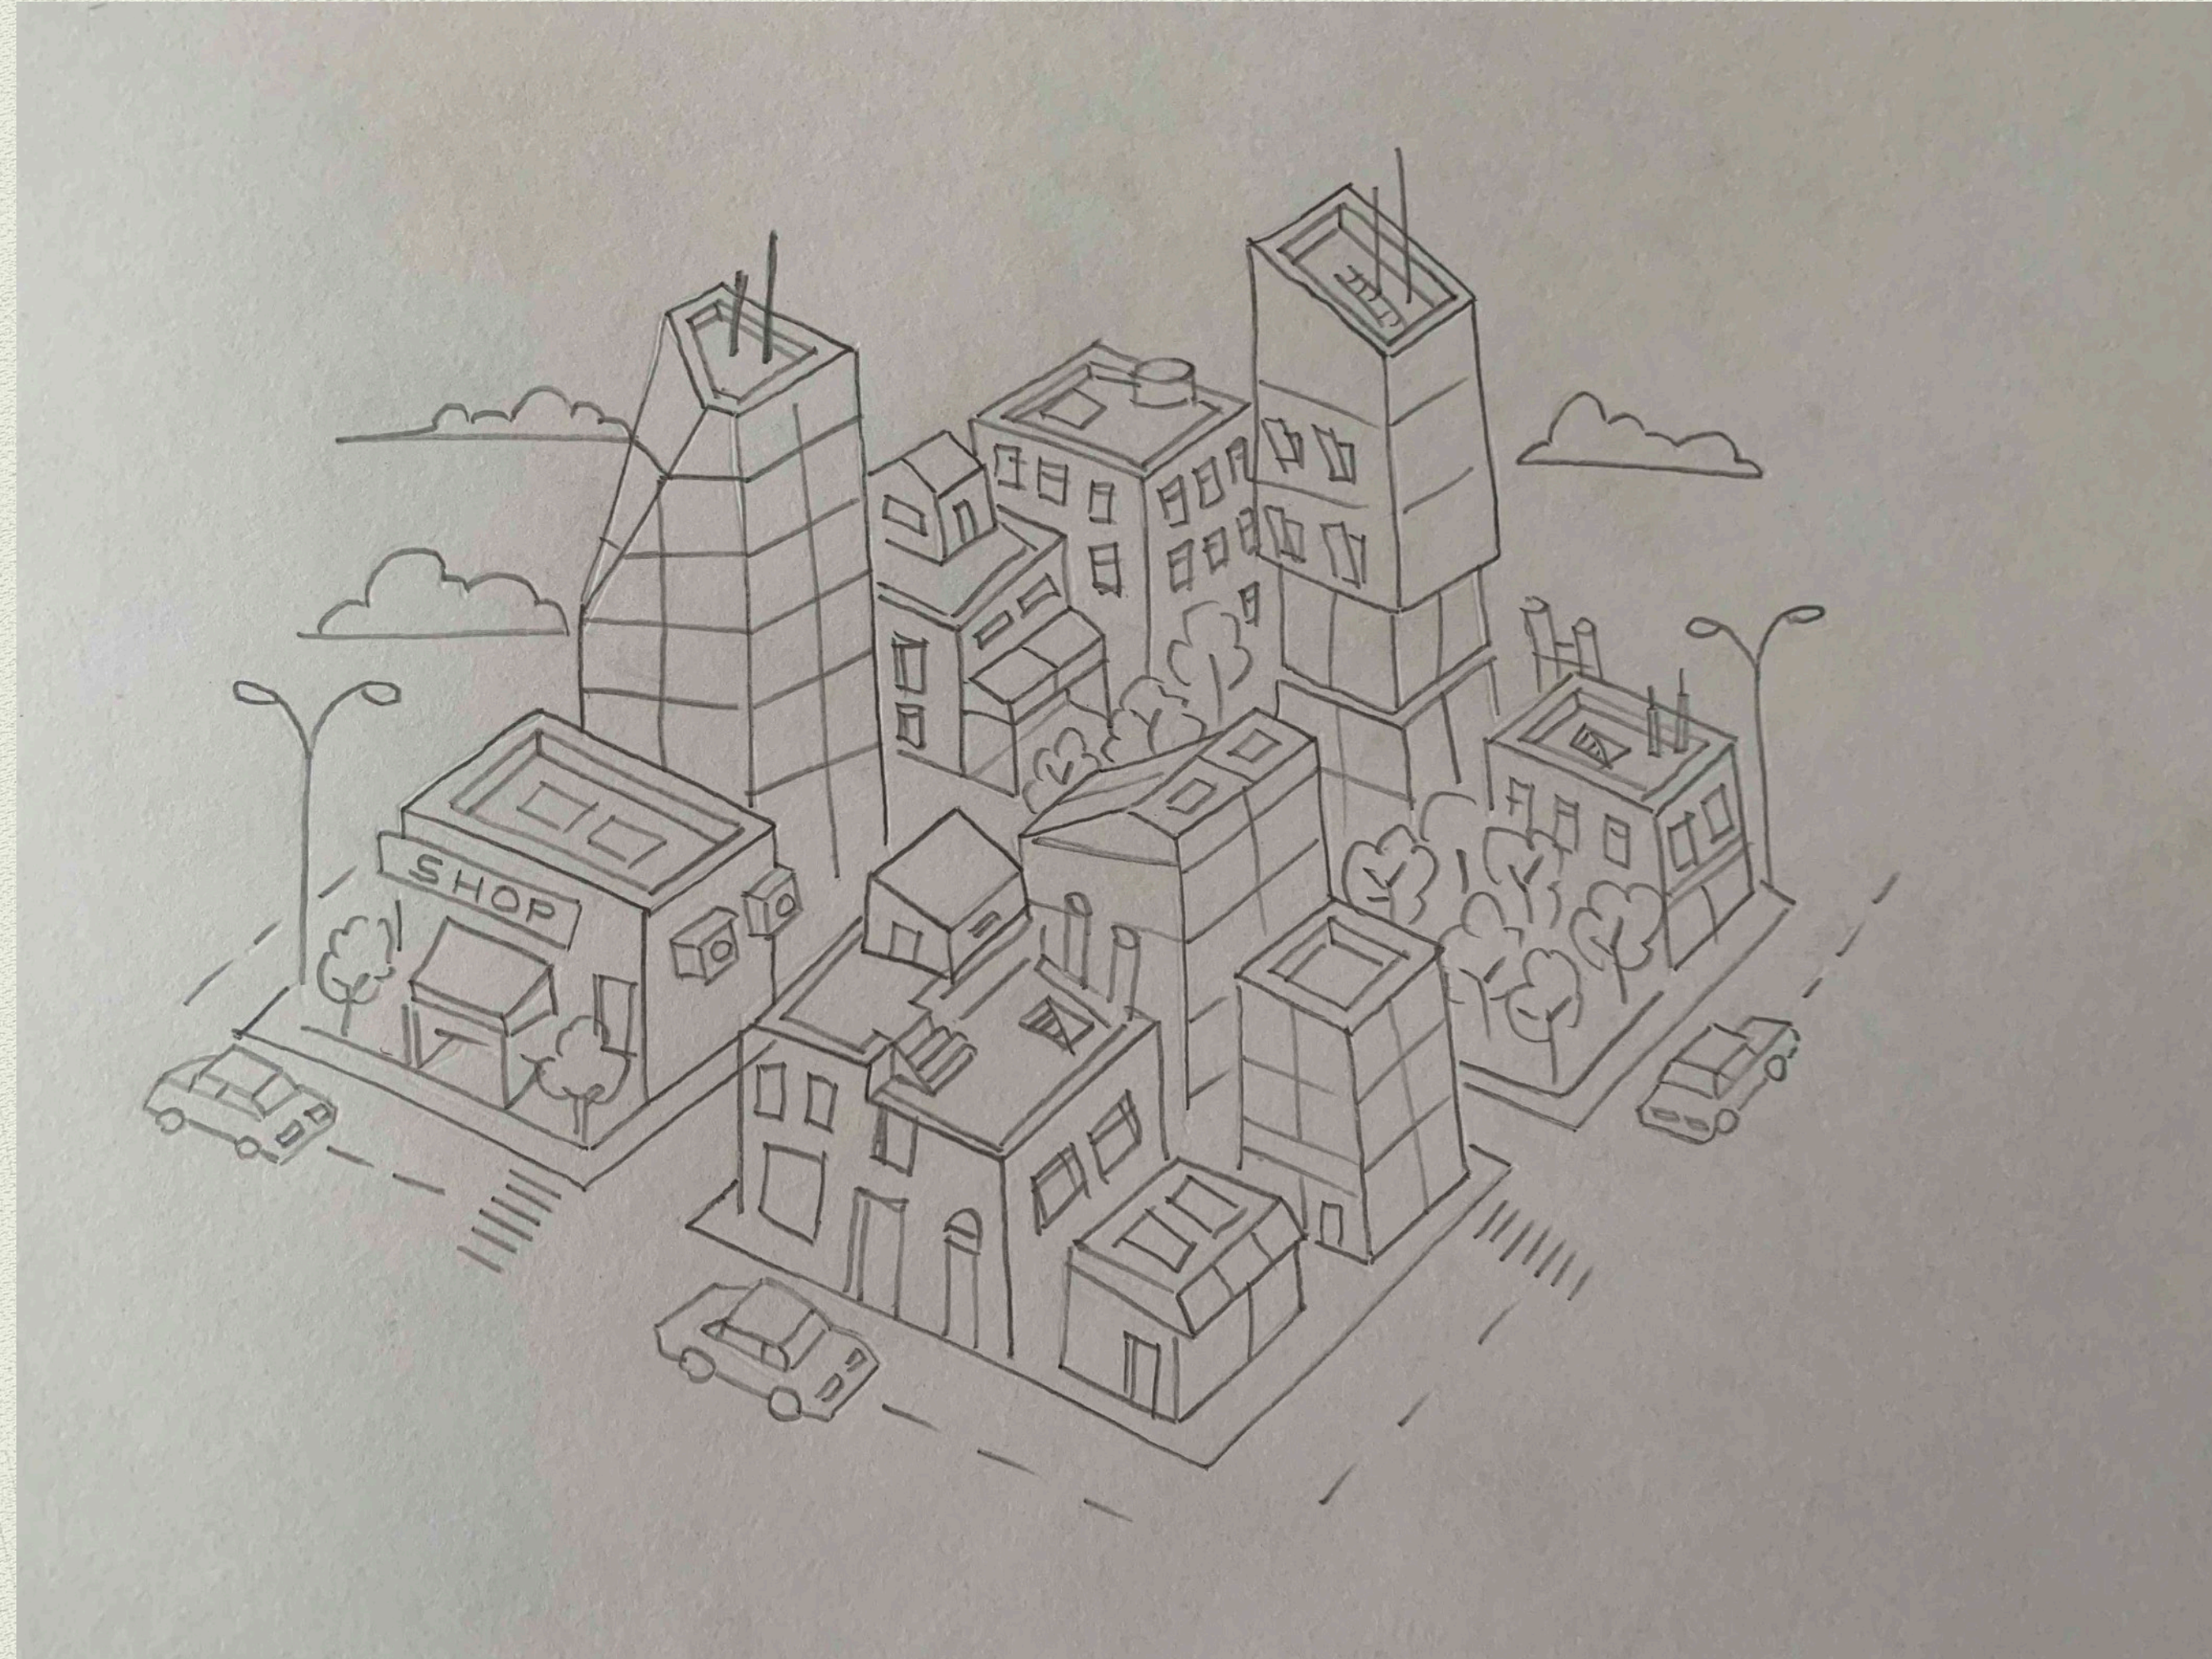

Intelligent birds from fictional
world

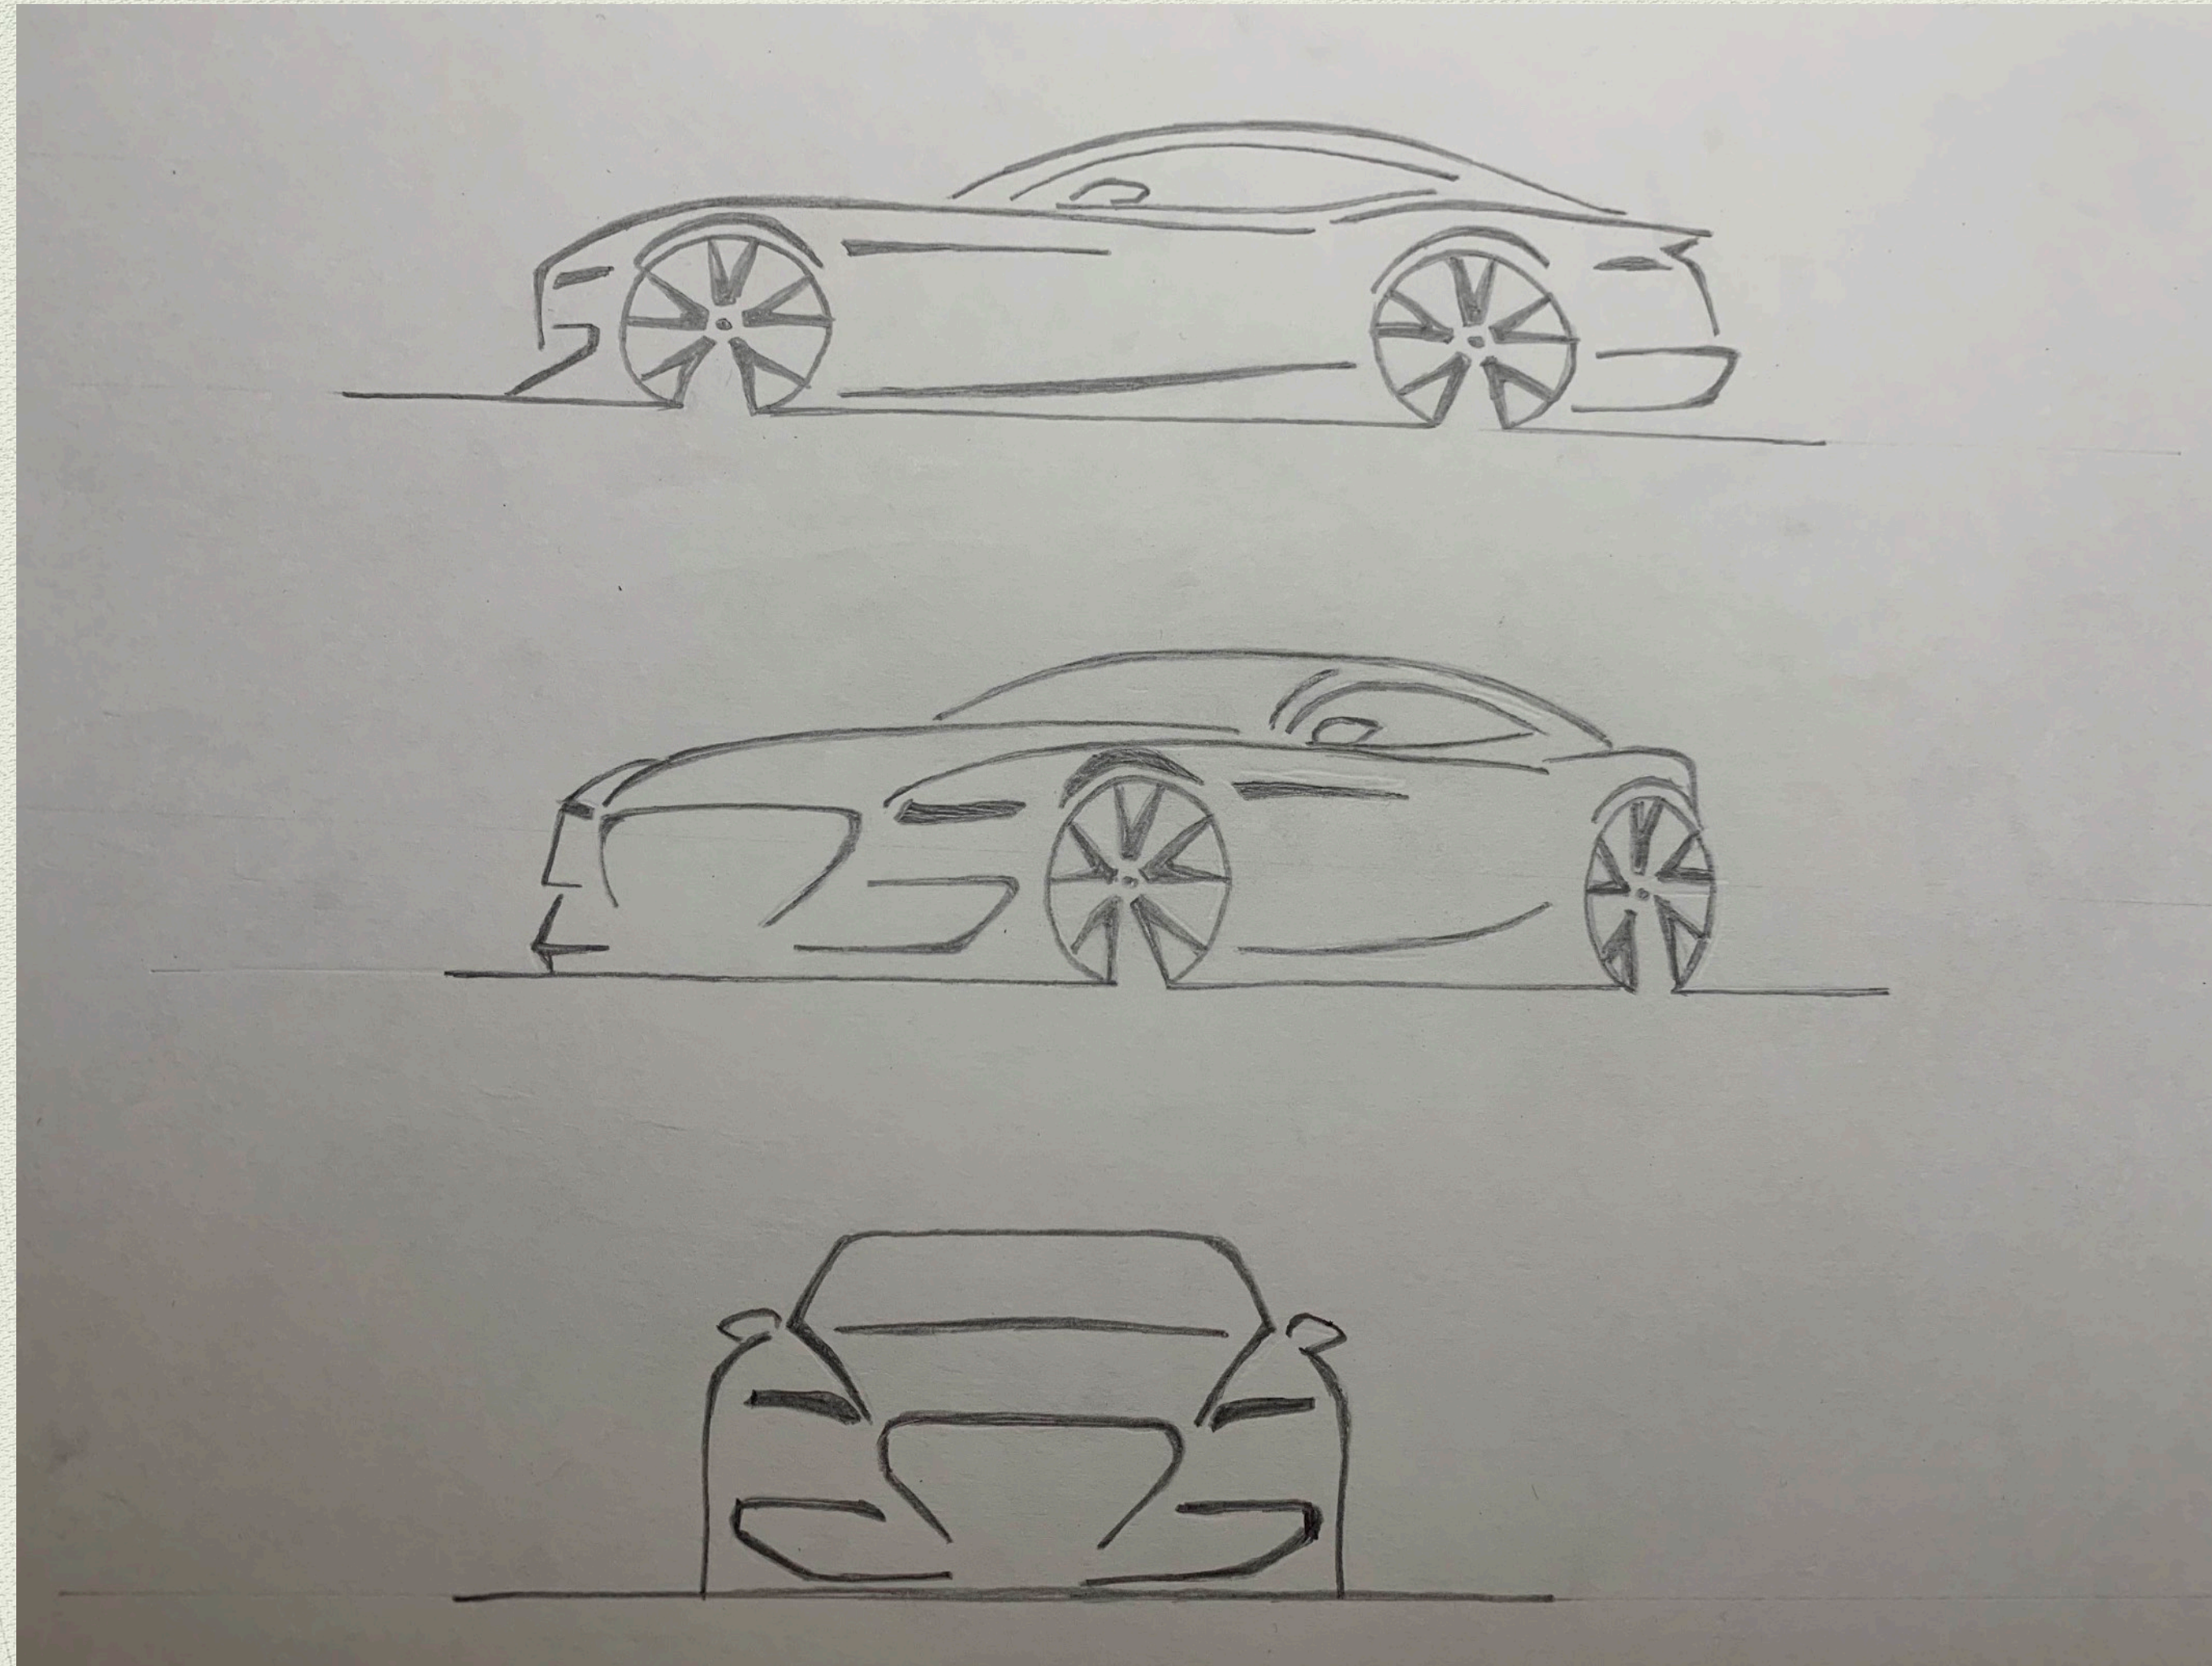

I envy this creature for his amazing reach to
the tree tops

Just after engineering graphics lesson in isometric drawing

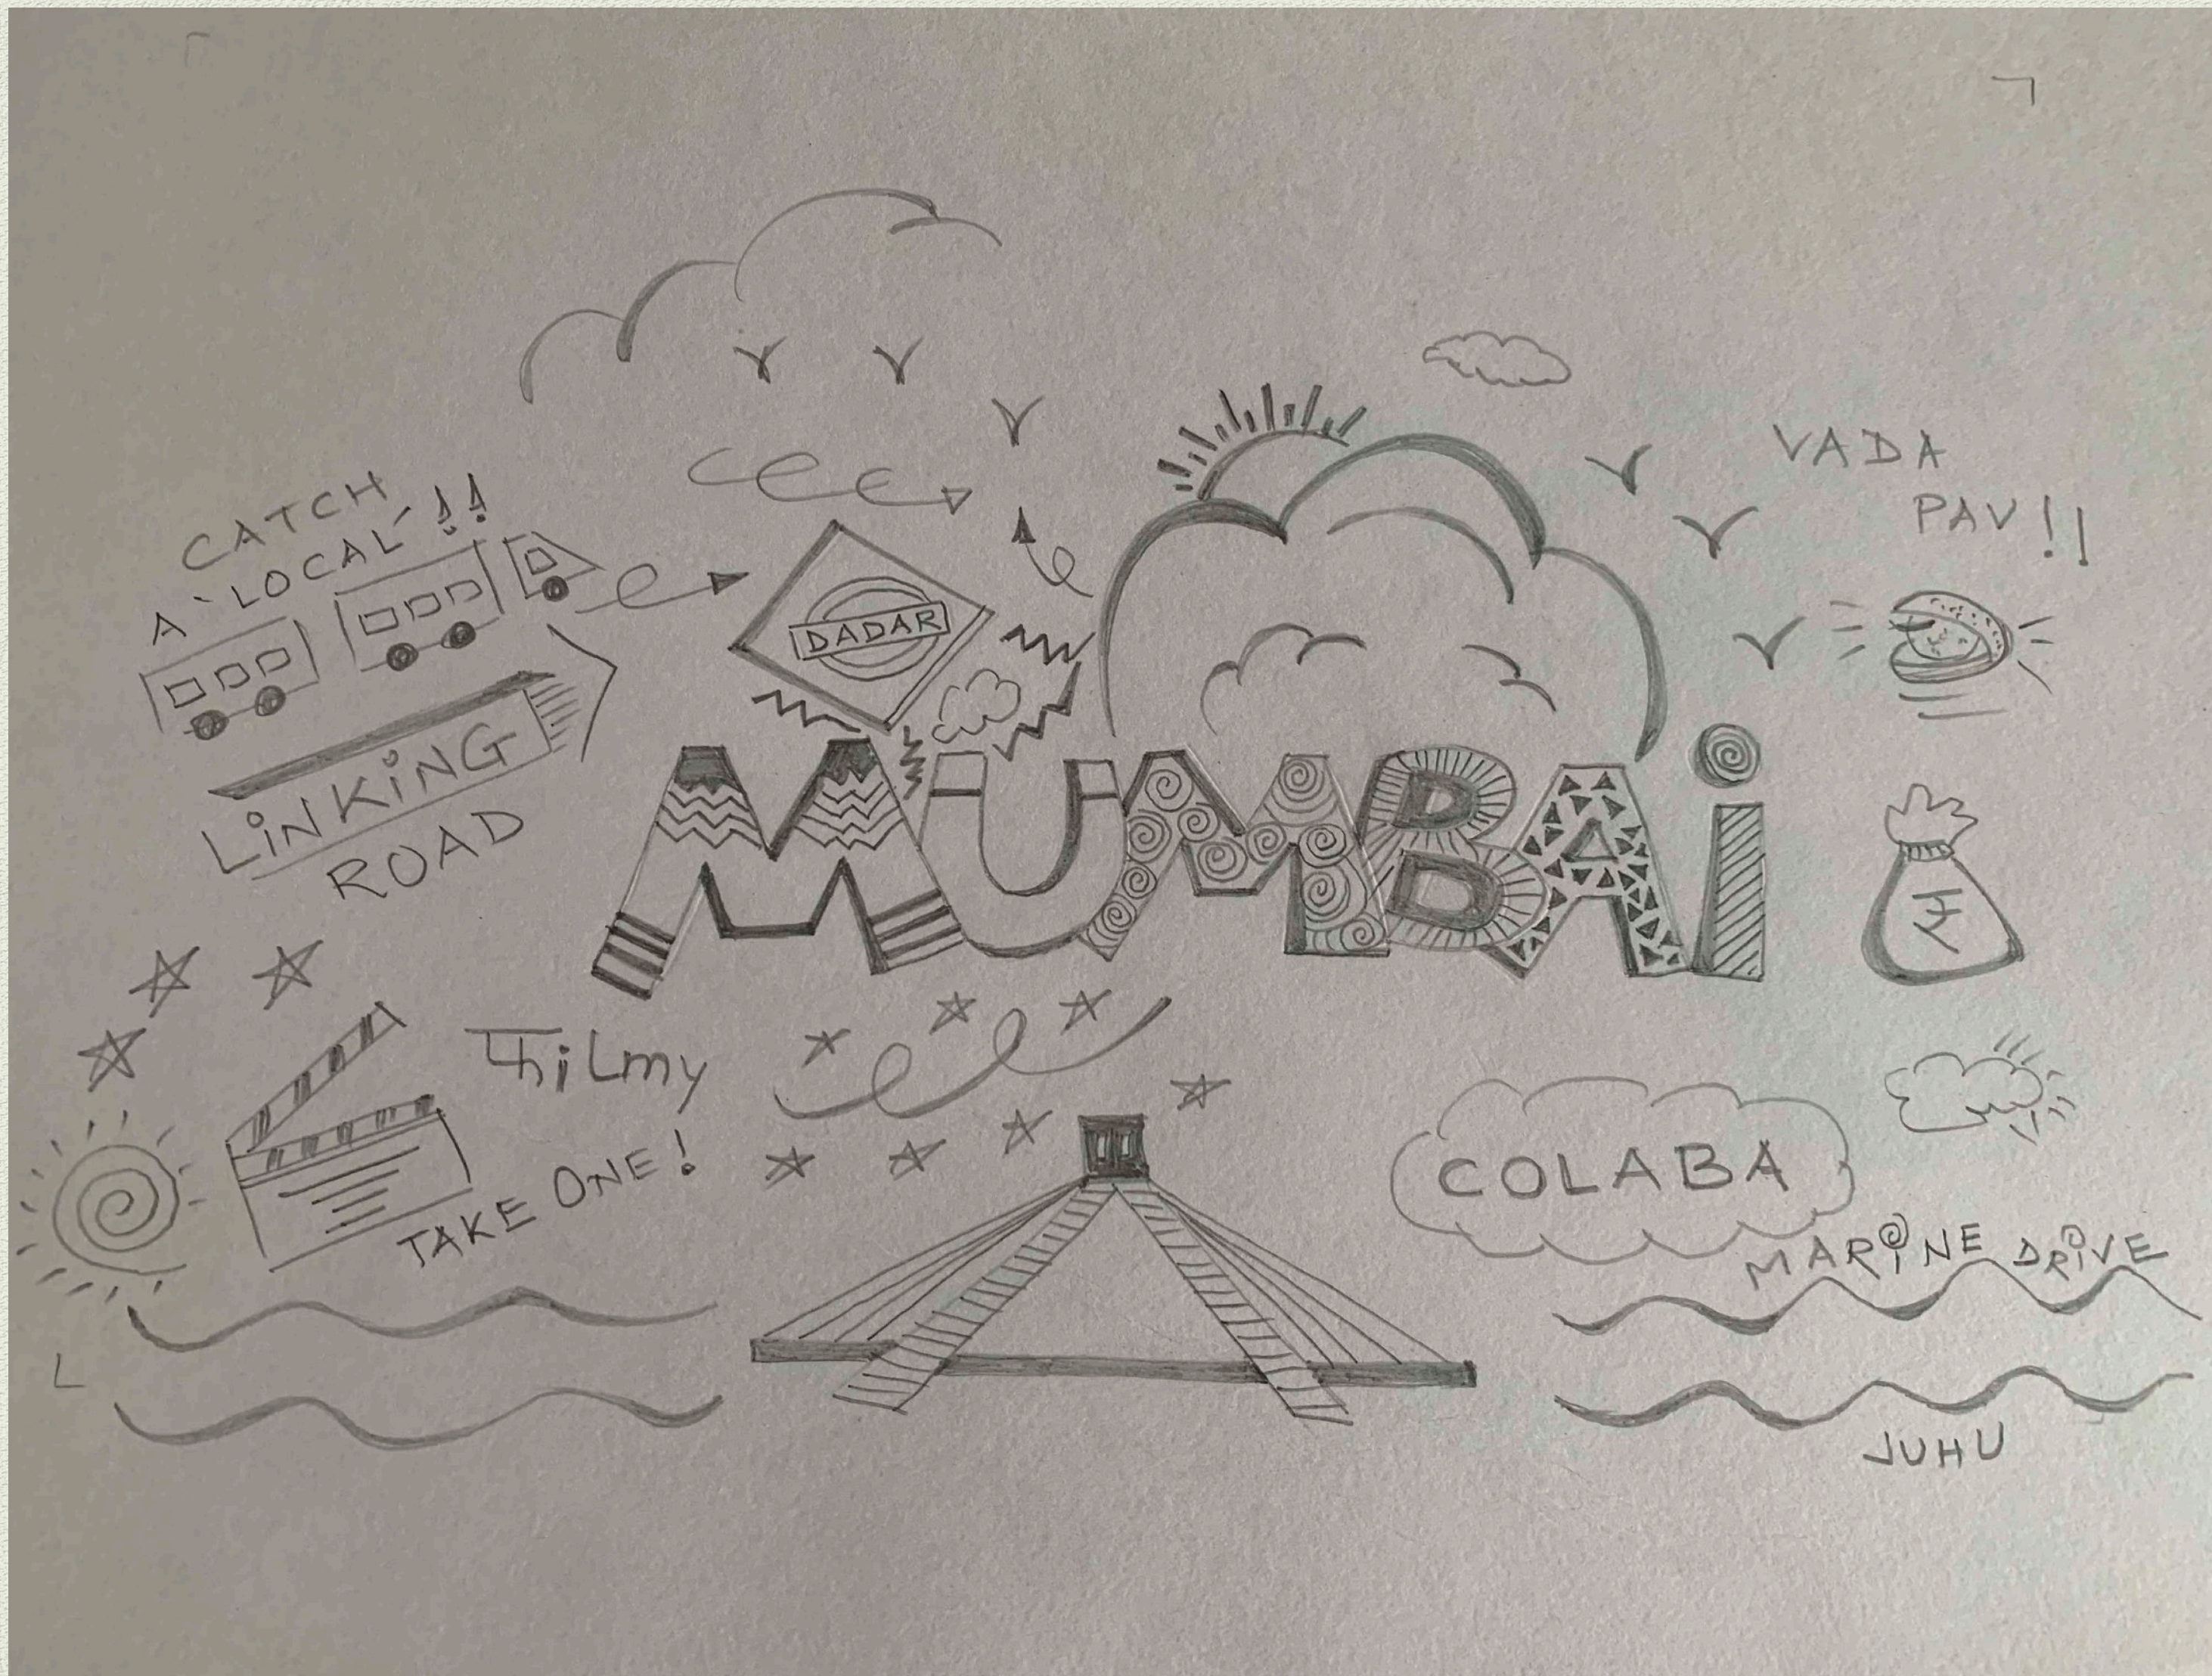

My passion.. speeding wheels

I get fascinated by aerodynamic shapes and stylish curves

I love my city - Mumbai

City of beaches & sea shores....

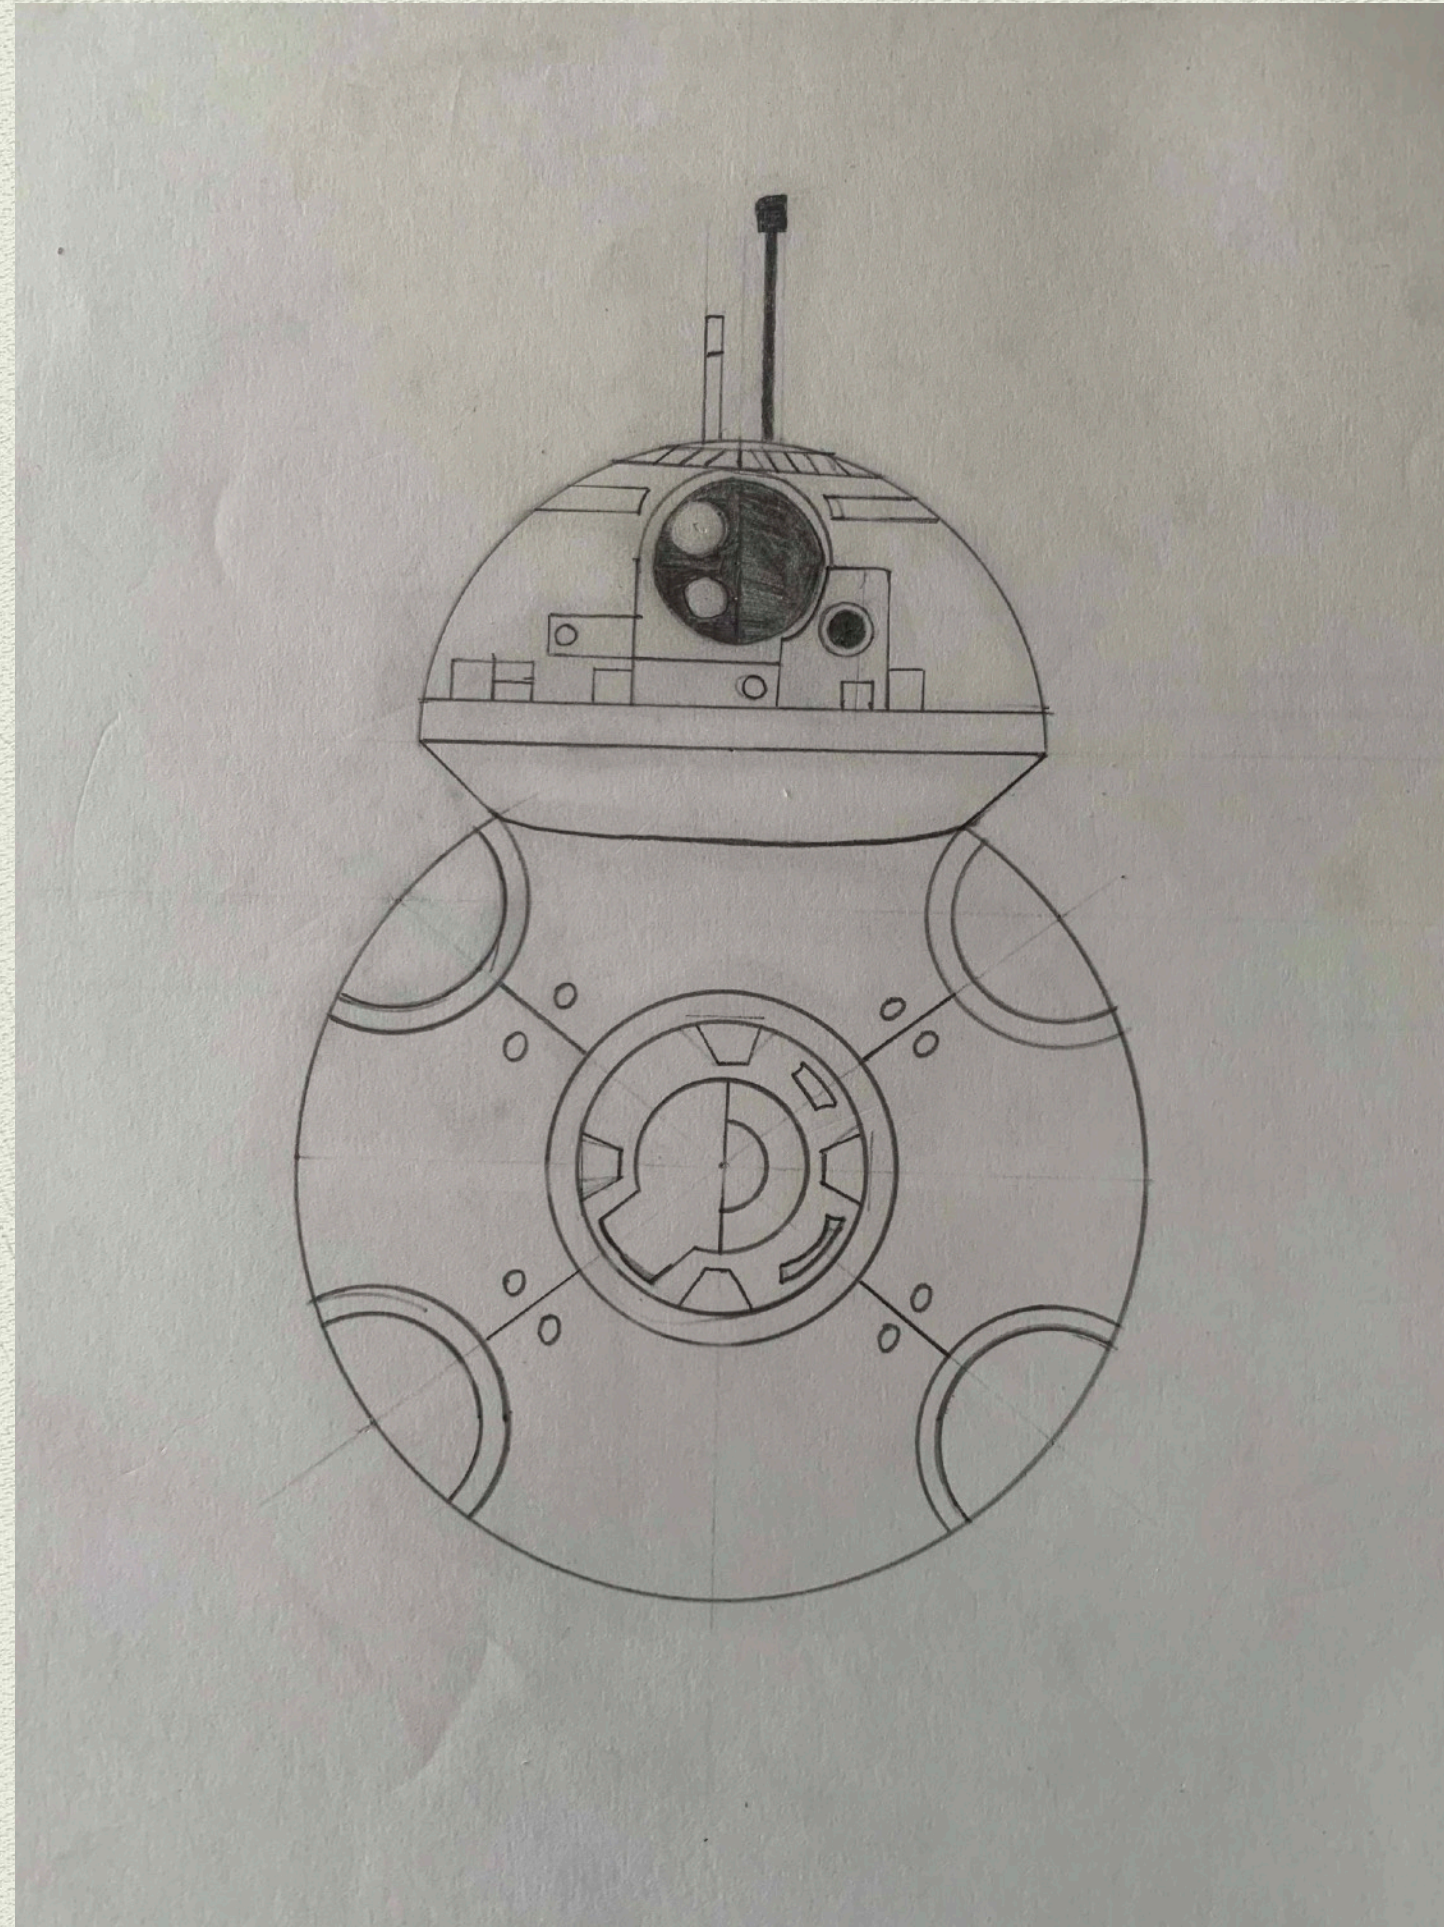

Of Bollywood movies...

Famous for its unique burgerVada Paav

City's life line... local train....carries 3mn people every day

Street markets of linking road

My Own BB8...just after watching first star wars
movie !

Weekend Relaxation - Doodling.....
